

OVERNIGHT ADVENTURE KENNEDY SPACE CENTER

YMCA Seminole Nation September Activity

Experience the glory of the American Space Program and spend a night at the Kennedy Space Center. Fun filled night of activities including tour, IMAX film, speakers, exhibits, pizza party, scavenger hunt, sleeping under the largest rocket in the world, and continental breakfast.

WHEN: Saturday September 9, 2006.

WHERE: Kennedy Space Center

TIME: 4:30 PM to 9:00 AM

COST: \$80 per person

Normally this program is open to children 8 to 14 years old. However, since we will have dads with all girls if we guarantee a minimum of 100 participants they will close the event to other groups and allow younger girls to participate.

Sponsored by Seminole Nation/Apache Tribe

For additional information contact Steve Berkey (954)-729-7724
Need to know number of participants by 6/7/2006 Longhouse so we can commit to reservation. Money and consent forms will be due at July Longhouse meeting.
