

FLEET WEEK 2011 April 30th 11:00 am – Port Everglades

All **Seminole Nation** and **Teton Nation** Members

Support our Military while touring a Navy ship on April 30th with your tribe. The Princess's and Guides did this last year and everyone that went had a great time.

Registration for the first 150 people is now open on a first come, first serve basis. We have been told that space for our group is limited so make your reservation now. Registration closes March 4nd as the Navy requires that we have all of your information to them well in advance for their screening process.

There will be a \$10 registration fee for each adult, and kids are free. Each registered adult will receive a standard ball cap from one of the ships we are touring. There will be no refunds as the caps must be preordered. If you are unable to make the tour your cap will be given to your chief at the next longhouse meeting. So come on out and join the Seminole / Teton Nations and the Navy for a tour this year during fleet week.

Registration will be open to all family members **8 years and older**.
