

THIRD ANNUAL SNORKEL SENSATION!!!

What: We have reserved two 50 foot catamarans, the Quicksilver and the Reef Roamer, to take us on a three hour adventure. We will motor out to make two (2) one (1) hour snorkel dives in **John Pennekamp Coral Reef State Park**, and then we will sail back to the dock. The cats allow very easy entry and return from the water. The instruction is first rate and they have floating dumbbells available for the young ones. This is a great opportunity to introduce our daughters to snorkeling! We will then walk to ...

When: Saturday, June 14, 2008. Meet at the docks no later than 11:45 a.m. The boats are due back by 4:30 p.m. so they **WILL** leave the dock at 12:30 p.m. sharp!

Where: Mile marker 100 in Key Largo (the Ramada Limited Inn is on the left). Drive past the Ramada to Mile Marker 99.6. Make a left turn (Walgreen's will be on your left) and drive one block to park your car in the Key Largo Community Park parking lot (which is the same parking lot for Jacobs Aquatic Center). Walk north from the lot to the boats (very short walk on a back connecting road.)

Cost: **ONLY \$45 per person** for snorkeling (including all gear).
[Register online at SeminoleNation.org](http://SeminoleNation.org)
(Due to the late afternoon ending time we are not holding a BBQ)

EARLY REGISTRATION \$40 per person before May 16th
